

## GET STARTED RIGHT AWAY

Thank you for your interest in becoming a resident of Mary's House for Older Adults: A LGBT Friendly Residence. Mary's House provides supportive independent, communal housing for older adults that eliminates the intense isolation experienced due to aging, subtle and not so subtle discrimination and intolerance based on one's sexual/gender identity or orientation. If you're an independent older adult who likes to make a difference, Mary's House could be a great fit.

### • Community Amenities

- Professional property management
- Community programs, activities and, coordination of benefits, activities, recreation, and celebrations (at the building and within the surrounding community)
- Energy efficient heating and cooling systems • Laundry room with oversized washers and dryers
- Hydrotherapy Tub and Family Room
- Close to public transportation, grocery store and other amenities
- On site, off-street parking

At Mary's House, residents make a commitment to supporting the community and each other. You can participate in this collective in a variety of ways, e.g., community dinners, gardening, exercise classes.

Anticipated occupancy for Mary's House is **November 2017**.

### General Requirements

- Accept all people, no matter their race, ethnicity, gender identity and/or sexual orientation, religion,
